

Public Works Superintendent

City of Victor, Colorado

The City of Victor, population 400, is accepting resumes for the Public Works Superintendent position which plans and directs the daily functions, supervises and directs all functions of the street, water, wastewater, parks and cemetery, public facilities and fleet divisions of the City's Public Works Department, including supervising and scheduling four personnel. The successful candidate must be able to plan and implement various department projects including estimation of required material, equipment and manpower. Due to the size of the department, the Public Works Superintendent must be a working supervisor. Although a college degree is preferred, a comparable combination of experience and training will be accepted. Candidates should have a minimum of five years of progressively responsible experience in all aspects of construction or public works operations including: employee management, facility and infrastructure management, budget management, equipment operation and maintenance, safety training and must have a CDL with airbrake endorsement within 3 months of hire. Most importantly, the applicant must demonstrate a proven competency for customer service, teamwork, communication and work ethic. Interested candidates should submit an application form and resume to "City of Victor, Attn: Debra Downs, P.O. Box 86, Victor, CO 80860" or send their resume by email to [ddowns@cityofvictor.com](mailto:d downs@cityofvictor.com) by **July 17, 2017, COB**. A job description and application form is available on the City's website at <http://cityofvictor.com/notices.html>. EOE
