The City of Victor requests Bids for the removal of upper walls of the rear portion of the Miner's Union Hall (MUH) located at 110 N. 4th Street, Victor, CO. Phase 1 extent of work includes the removal of the existing brick walls down to the existing Second Floor structure as noted on the plans, stepping the bricks as required. The top of the walls that have been removed shall be covered with a EPDM membrane as noted on the plans for weather protection. Coordinate with Owner on removal of brick and potential for salvage of some brick to be reused on the façade. Contractor to protect public and adjacent properties as required to maintain safe conditions. Work shall be done in weather acceptable for patching of existing masonry if required.

Any questions concerning this RFP shall be directed **IN WRITING** to Debra Downs, E-MAIL: ddowns@cityofvictor.com. All responses will be posted on the City's website above.
