

Social Security 101

“Understanding Your Social Security Benefits”

Classes are offered at no cost to provide information for people approaching retirement.

Sessions cover many of the common retirement questions;

- * Eligibility for retirement
- * How age affects retirement benefit
- * How work affects retirement benefit
- * How non-covered pensions (PERA) can potentially affect your retirement and survivor benefits.

Also discussed:

- * Spousal benefits
- * Children’s benefits
- * Survivor benefits
- * And a brief explanation of Medicare.

**Social Security Administration
Helping you secure today
and tomorrow.**
